[REDACTED]

Introduction

Feedback

1 Have you used the new Post Market Review Compliance Dashboard?

Not yet

2 Were you able to navigate to the new Post Market Review Compliance Dashboard easily?

Yes

If no, please explain: :

3 Was the 'home page' of the new Post Market Review Compliance Dashboard intuitive?

Yes

If no, please explain: :

4 In terms of notifications, how easy was it to:

Notifications - Navigate to the notification you wanted to review on the dashboard?:

Notifications - View the notification and understand what was in the scope of the review?:

Notifications - Submit the notification?:

Please provide any feedback related to 'notifications':.

We did not have actual experience yet, but the portal looks intuitive and easy to use. Based on actual user experience and feedback, this may be used for other applications.

5 In terms of data entry, how easy was it to:

Data entry - Enter new models for your ARTG and / or edit the model details?:

Data entry - Enter the supply, adverse events and complaints details for the selected financial years?:

Data entry - Respond to the legislative breaches under investigation?:

Please provide any feedback related to 'data entry':.

We did not have actual experience yet, but the portal looks intuitive and easy to use.

6 In terms of document upload, how easy was it to:

Document upload - Upload documents?:

Document upload - Use the bulk upload tool for the supply, adverse event, and complaint data? Note: you will only use this tool if you need to enter model details for multiple models and / or financial years.:

Please provide any feedback related to 'document upload':.

We did not have actual experience yet, but the portal looks intuitive and easy to use.

7 How easy was it to request an extension?

Not applicable
